After Duty — Phone GR 7-6291

DEADLINE 12 FULL DAYS BEFORE THE END OF THE MONTH.

Authorized as second class mail by the Post Office Department, Ottawa, and for payment of postage in cash.

## A Word from Camp Office on Flower Gardens

It has been noticed around Griesbach that numerous flower gardens and nurseries are in full bloom and offer a very pleasant sight to our many visitors. Lawns and trees in most case and in spite of the Gas Company digging crews, also present a very neat appearance and all occupants concerned are to be congratulated for their splendid effort.

A particular effort has been made by persons residing in Algonquin and Piegan Places which gives an excellent example of what can be achieved by neighborly co-operation. These Places are, without doubt, the neatest areas in camp and the respons-

ible persons deserve the highest credit.

It is regretted that the gas and water pipe lines occasionally leak and have to be dug up to be repaired. The disappointment of the unfortunate occupant is shared by all concerned but it must be pointed out that the responsibility of such occupants concerning care of lawns is not in the least diminished.

This is the month to prepare your gardens for next spring. It is hoped that all occupants will take an interest in this garden preparation and that next spring will produce a maximum effort. It takes only one seed to make a dozen flowers.

## Fire Prevention Week Parade

Fire Prevention Week parade is fast becoming an annual event in the Griesbach area. Plans have again been made to hold a parade this year on Oct. 6th. This will be the third consecutive year the parade has been made.

The object of the parade of course is to promote fire prevention in the Griesbach area. We derive a second benefit from the parade by providing an activity for the children and a chance for parents to work with their youngsters in the preparation of their entry.

This years parade has a promise of being our biggest thus far and parents are cordially invited to come out and cheer them on and to attend the judging at the Fire Hall.

The rules for contestants in our slogan contest can be found elsewhere in this issue.

The parade will begin at 1:30 p.m. on Oct. 6th at 137A Ave and 102 St. The parade route will be through both PMQ areas as in past years. Should inclement weather force a cancellation of the program it will be held the following Saturday.

Your Fire Department.

## The Balloon Note — Its Hazards

Recently a resident of Edmonton reported that lack of perception on his part had resulted in financial involvement. He had bought a new car and arranged to finance \$2,500. of the purchase price. He had discussed the matter of financing with the salesman and was assured that it could be arranged on the basis of \$75.00 per month for three years. On this basis he signed the finance agreement without a close check, and later received his payment book from the finance company. It was not until after he had made three payments that he noticed the payment book made provision for eleven payments of \$75.00, with a twelfth payment of the balance (in excess of \$2,000.). On checking his copy of contract, it too, stated eleven payments of \$75.00 balance of \$2,000+-. He had, without realizing it, signed a BALLOON NOTE. Once again the Better Business Bureau repeats: — READ — BEFORE YOU SIGN, GET, AND KEEP A COPY OF EVERYTHING YOU SIGN.

A very hot nail will not split plaster when driven into it.

## FIRE PREVENTION WEEK

In the past two years more than 5,000 Canadians have been killed in fires and many more thousands have been burned or permanently injured or disfigured.

The great tragedy of these statistics is that practically all of these deaths and injuries could have been prevented by simple rules of fire safety.

Fire Prevention Week, which this year falls in the period October 7th to 13th, provides the opportunity to re-emphasize the importance of these rules.

Few things can cost you your home and one or more of your family more quickly and tragically than fire.

Resolve to make your home a Fire Safe home. A home safe from fire depends on good family habits about fire and its hazards.

Good family habits include such things as care with matches and smoking, good housekeeping to get rid of rubbish, proper use of electrical fuses, appliances and extension cords, a constant general awareness of the ways fires start and to avoid them.

Our community can make the week meaningful if all of us decide that fire prevention is our job too and that individually and together we can do our part to correct the present shameful record of fire losses.

A. P. Hauglum, Fire Chief

## COUNCIL BRIEFS

Leaves and duty reduced the attendance to six members at the August meeting of the Griesbach Council. A full slate of business occupied Council for 2½ hours.

The Chairman reported that two wading pools were put into operation in August. The pools were built at a cost of \$4941.00 by Walters Construction. Another \$400.00 was expended to landscape the area around the pools. A grant of \$1000.00 was received from the Regimental Fund to help defray construction costs. Two playground supervisors were hired at a salary rate of \$100.00 per month.

Day Camp, sponsored by the YMCA, attracted 31 youngsters. Twenty-eight received financial help from Council. Total financial assistance provided amounted to \$246.00 — of this amount the Regimental Fund contributed \$150.00.

An active baseball and softball season was completed in Camp. Six little league teams and three pony league teams were operated for boys. Girls softball had six teams and ladies softball fielded 3 teams. Council expended \$918 to operate the leagues.

Sgt. A. E. Roemer, councillor for Ward 1, reported on the cost of constructing an additional skating rink. Cost of lumber varied from \$400.00 to \$700.00. After considering the costs involved, Council decided to place \$750.00, a quarter, in a reserve fund to be applied on the cost of constructing a covered skating rink a year from now.

After considering a written report from Capt. Daniels, Council agreed to sponsor the highschool

book rental plan again this year, provided no expenditure of Council funds was involved.

The Chairman reported that only about 5% of the library books damaged in the recent storm are beyond repair. The balance are at present being dried out. The chairman had some good news when he informed Council that, since the bank and post office have moved, HQs Altarea have allotted the entire building to the library.

Council was concerned with the drop in resident contributions. Serious consideration was given to the suggestion that non-contributors and their families be prevented from participating in Council sponsored activities. Council finally agreed to hold this suggestion in abeyance until the chairman could discuss the problem with unit COs.

Council voted \$100.00 to cover registration fee of the Griesbach Commandoes in the Edmonton Bantam Football League. Coaching and equipment are provided by the Huskie Football Team. Cpl. Bones will be assistant coach.

If twenty or more boys are interested, Council agreed to provide financial assistance to field a Rams Football Team in the NCAHSAA league.

The problem of getting individuals to return sports equipment at the end of a season was discussed. Council finally agreed that all equipment will be issued direct to the individual from Council stores and a deposit will be required, to be refunded when the stores are returned.

## Griesbach Fire Department

### SLOGAN AND POSTER CONTEST

#### ELIGIBLE:

All children from Grades Kindergarten to Nine attending Griesbach Schools.

#### SLOGAN CONTEST RULES

1. Contestants must be from Kindergarten to Grade six inclusive.
2. Each contestant must have a 'Fire Prevention Slogan'.
3. All contestants must participate in the Fire Prevention Week Parade.
4. Contestants must have either a Bicycle, Tricycle, Wagon, Cart, Carriage, etc., decorated for the parade or they may wear a costume.

5. Slogan must be colored or painted on cardboard and carried or fastened to entry in the parade in a manner that will make judging as easy as possible.

6. The following slogans are given as an example and are not to be used by contestants:

"Don't Give Fire A Place To Start"

"Fire Waste Can Not Be Replaced"

"Clean-Up, Don't Burn Up"

"Smoke In Bed — Wake Up Dead"

7. Parents may help their children prepare their entry.

8. Judging will be carried out at conclusion of parade.

#### POSTER CONTEST RULES

1. Contestants must be from Grades seven to nine inclusive.

2. Posters must pertain to Fire Prevention.

3. Posters must be submitted to the Griesbach Fire Hall by October 3, 1962.

#### PRIZES:

The Griesbach Association is making the following prizes available:

#### SLOGAN CONTEST:

Group I — Kindergarten and Grades 1, 2, and 3. (WRIST WATCH).

Group II — Grades 4, 5, and 6 (CAMERA).

#### POSTER CONTEST:

Grades 7, 8, and 9 (PEN AND PENCIL SET).

#### PRESENTATION OF PRIZES

Prizes for both contests will be awarded at the conclusion of the Fire Prevention Week Parade at the Fire Hall.

#### PARADE

Parade will start at 137A Ave. and 102 St. at 1:30 p.m. on the 6th October and will finish at the Fire Hall.

#### PARADE ROUTE

Posted in Post Office and Bank.

#### NOTE

Contests are being held to promote Fire Prevention in the Griesbach area.

## C.G.S. Visits Command

Canada's number one soldier, Lt. Gen. Geoffrey Walsh, chief of the general staff for the Canadian Army arrived at Namao airport recently to inspect the training facilities of Army Depots in Edmonton and Calgary. On arrival he inspected a 50-man guard of honor from the RCAF under command of flying Officer R. Nielson-Jones.

National Defence Photo

## COMMAND ASSISTS IN NATO EXERCISE

Headquarters formations of the Canadian Armed Forces participated in a NATO-wide command post exercise called FALLEX 62 between Sept. 6 and 28.

The exercise was jointly conducted and directed by NATO's three major military commanders, the Supreme Allied Commander Europe, the Supreme Allied Commander Atlantic and the Allied Commander-in-Chief Channel.

The purpose of FALLEX 62 was to exercise the various NATO and military authorities in the logistic support of assigned forces and communications facilities in a period of war, as well as the co-ordination of operations for the control of shipping and air transport.

In Canada the exercise was mainly one of communications.

Canadian participation was confined to providing adequate responses to the NATO authorities' exercise demands, and to exercising Department of National Defence alert measures and emergency defence plans.

Government departments and agencies associated with the Department of National Defence in emergency planning also took part on a limited basis.

## Introduce New Course

OTTAWA — The Royal Canadian Ordnance Corps School at Longue Pointe in Montreal commenced training technicians from the three armed forces in work methods and standards techniques beginning in September.

The tri-service program will continue for one year and the scheme will be reviewed in 1963 to consider future training in this field.

Plans are that 45 members of the Royal Canadian Air Force be given training in four-week courses ending in December. In April 1963 the first tri-service course will be given to members of the Royal Canadian Navy, Canadian Army and Royal Canadian Air Force.

Using RCOC School trained technicians the Royal Canadian Ordnance Corps already has well developed methods and standards programs in operation at their large ordnance depots. The techniques encompass the use of method improvement and time and motion studies to develop the best means of job performance with the minimum of staff. The program parallels those employed by large civilian industries.

You cannot help men permanently by doing for them what they could and should do for themselves.

— Abraham Lincoln

## The Iberland Problem

'Saceur is over at Usareur observing a CPX. When he gets back to Shape he's got an inspection trip to Com. Z and then a conference on the Iberland problem with Saclant and Comsubeastlant.'

The above is a hypothetical but altogether plausible exercise in one of the lesser-known world tongues that might be called 'Military Agglomerese.' It has family resemblances to double-talk and to Stengelese, but is, in fact, officialese at NATO, or the North Atlantic Treaty Organization . . .

About the only thing M.A. has to recommend it is brevity. For demonstration, let's back up and translate that opening paragraph

into English:

'The Supreme Allied Commander, Europe, is over at the United States Army, Europe, observing a Command Post Exercise. When he gets back to Supreme Headquarters, Allied Powers, Europe, he's got an inspection trip to the Communications Zone and then a conference on the problem of the unfilled naval command of the area around the entrance to the Mediterranean (Iberland: Iberia, that is, the old name for Spain and Portugal, plus Atlantic) with the Supreme Allied Commander, Atlantic, and Commander, Submarine Force, Eastern Atlantic.'

From *My Daddy Works for Ella* by Robert C. Doty in *Freedom and Union*.

## WELCOME RCAF STATION NAMA0

With this issue of the Bugle our circulation increases by five hundred for distribution to the residents of RCAF Station Namao.

There has long been a need for a closer tie between our two stations and we feel certain that this will help serve that purpose.

Through this medium we hope to better inform each other of news and social events of mutual interest and extend a sincere welcome and an invitation to groups, organizations and individuals from Lancaster Park to take advantage of the facilities our paper affords.

## Count Down at Cold Lake

The Defence Research Board and the RCAF collaborated on Sept. 18 in launching a small research rocket at RCAF Station Cold Lake, Alberta, designed to test the operation of both the rocket and the range. The small Arcas vehicle employed reached an altitude of 60 miles and its instrumented nosecone descended by parachute.

Dr. Walter J. Heikkila, 34, of Ottawa, Head of the Defence Research Telecommunications Establishment's (DRTE) Rocket Section, and in charge of the project, stated that both the vehicle and range operation were successful.

The firing was the first of six planned to investigate polar cap absorption, an upper atmospheric phenomenon that sometimes follows large solar flares. The absorption of radio waves that takes place during such events blocks

out radio communications in northern Canada, often for several days. It is hoped that the DRB/RCAF firings will provide new information about these events and establish at what height in the atmosphere the absorption occurs.

Also carried in the nosecones are instruments designed and built by the National Research Council to investigate the high-energy particles emanating from the sun that cause these absorption events.

Upon notification that an event has started, the first of several rockets will be fired within a few hours.

The Arcas rocket, manufactured in the USA, is used widely for upper atmospheric meteorological studies. It is about eight feet long and four and one-half inches in diameter. The payload weighs 11 pounds.

## New Appointments

OTTAWA — Army Headquarters in Ottawa announced the appointments of two senior Army officers which will become effective in December.

Brigadier W. J. Moogk, OBE, CD, of Ottawa, Niagara-on-the-Lake and London, Ont., now Commander, Saskatchewan Area with Headquarters in Regina, will become Commander of Camp Borden, Ont., and also hold the appointment of Commander, Target Area Headquarters, Toronto.

He has held the appointment of Commander, Saskatchewan Area since 1959.

Appointed to succeed Brig. Moogk is Col. G. J. H. Wattsford, CD, of Ottawa, who will be promoted to the rank of brigadier to assume the command of Saskatchewan Area. He will vacate the appointment of Assistant Commandant, Canadian Army Staff College, Kingston, Ont., on moving to Regina in early December.

## NAMAO STATION THEATRE

Show Times: — Monday thru Friday — 8 p.m.; Sunday 7 and 9 p.m.

## Schedule Memorial Unveiling

OTTAWA — The unveiling and dedication of a war memorial to honor the war dead of the Royal Canadian Corps of Signals will take place at Vimy Barracks, near Kingston, Ont., at 3 p.m. Oct. 6th, it was announced recently at Army Headquarters. The Governor-General, His Excellency Ma.-Gen. Georges P. Vanier, DSO, MC, CD, will perform the unveiling ceremonies.

The Royal Canadian Signals War Memorial Committee here expressed the hope that news of the unveiling would be heard by as many veterans of the Corps as possible who have not already been contacted. Further details may be obtained by writing to the Director of Signals, Army Headquarters, Ottawa 4, Ont.

Central feature of the memorial at the main entrance to Vimy Barracks off Highway No. 2 is a life-sized statue of Mercury, The Greek mythological messenger of the gods, cast in bronze by Florentine craftsmen in Italy. The statue will rise above a large pylon of Queeston limestone situated on a grass island in front of the barracks which has been the home station for the Royal Canadian Signals for the past 25 years.

The figure of Mercury, modelled after Giovanni di Bologna's statue in the Italian National Museum, figures in the Corps' insignia and is affectionately known as "Jimmy".

The central pylon will be enlaced, in French and English, with the legend: "To those in the Royal Canadian Corps of Signals who gave their lives for their country." This will be surmounted by the corps badge.

The memorial will be in honor of several hundred men who died in performing signals duties in two world wars, in Korea, and most recently with the United Nations Emergency Force in the Middle-East.

### NOTES FROM RECRUITING

Lt. R. G. Bridgeman who has been OIC Recruiting Station for about two years has left on his new posting to Fort Churchill. Captain L. F. Grimes has been appointed new OIC of the Station. The recruiters hope he will have a long enjoyable stay. Also a newcomer to our staff is Sgt. Bob Tuttle of the PPCLI — may we welcome you too Bob with a bit of advice "Don't let the live ones get away."

The Canadian Army had its chance to "show its wares" to the civilian populace in August when Sgt. Nordin took a converted dental lorry equipped with picture and poster display to Rodeos and fairs at Edson, Drayton Valley and Camrose. Keen interest was shown by the many hundreds who filed through the colourful display. Much rain and mud provided Stg. Nordin with an opportunity to use the shovel when the "duce-an-a-haff" became hung up in a sea mud at Edson. Rumor has it that he's ready to go again next year mud or no mud, true to his corps motto: "Nil Sine Labore."

## To Commission Destroyer

HMCS Mackenzie, name ship of a new class destroyer escorts construction in Canadian shipyards, will be commissioned into the Royal Canadian Navy Saturday, October 6, at Canadian Vickers Ltd., Montreal.

The Mackenzie will add new vigour to the RCN's antisubmarine capability. She is equipped with the best available anti-submarine equipment and weapons. Her main armament consists of two three-barrelled "omnidirectional" Limbo anti-submarine mortars. Electronically controlled, they automatically "lock-on" to the target and with depth, range and direction settings automatically applied, fire at the critical moment. Homing torpedoes which track and strike a surface or submarine target regardless of its evasive manoeuvres supplement the mortars. The ship is also equipped with a twin three-inch 70 cal. anti-aircraft gun mounting and a twin three-inch 50.

Electronics apparatus includes navigational, surface, and air-warning radars, and the latest types of sonar for submarine detection.

The Mackenzie has an overall length of 366 feet, beam of 42 feet and a mean draught of 13.5 feet. Her displacement is 2,900 tons (full load) and her twin geared turbines produce a top speed of 28 knots. Her normal complement is 12 officers and 217 men.

The ship bears a name honouring in Canadian history — that of

the country's longest river and of the man who discovered it. She is the first of her name in the RCN.

Work on the Mackenzie commenced in October, 1958, and on Dec. 15, 1958, Mrs. Somers, wife of the late Captain John S. Somers, former Principal Naval Overseer, Montreal Area, officiated at keel laying ceremonies. On May 25, 1961, the ship was launched and was sponsored by Mrs. Freeborn, wife of Commodore Frank Freeborn, former Naval Constructor-in-Chief.

The Mackenzie class destroyer escorts represent a continuation of a construction program for the RCN comprising 20 modern destroyer escorts of Canadian design and construction. Seven St. Laurent class ships, the first of the program, now form the Second Canadian Escort Squadron based at Esquimalt, B.C. Seven Restigouche class ships form the Fifth Canadian Escort Squadron and are based at Halifax.

For the efficiency and comfort of her personnel, and of the protection of her machinery and equipment the Mackenzie is insulated and air-conditioned enabling her to operate effectively in any climate. Her rounded lines will minimize ice formation and facilitate countering the effects of atomic fall-out. Her anchors are housed in recesses, equipped with manually-operated doors to reduce ice-forming spray. Her capstan is below decks.

## RETIRES

EDMONTON — Major W. R. Waters of 14712 - 97A St., Edmonton, will retire from the regular Army this month after completing over 20 years service, it was announced by Western Command headquarters.

A member of the Royal Canadian Ordnance Corps, he has been with No. 17 Regional Ordnance Depot in Edmonton since 1961. Prior to that he was with the Directorate of Ordnance Services at Army headquarters in Ottawa.

## How Can Business Please the Public

### A BEWILDERED MERCHANT WONDERS!

Recently a merchant was offered a good buy on a case (30 Pairs) of shoes in a discontinued line of top quality. He passed along the savings to his customers by offering the shoes at a nominal mark-up, for \$5.95 a pair. After three weeks he had sold exactly two pairs. He withdrew the Special, and contacted the supplier, with a view to returning the shoes, if possible. However, since this was close-out stock at a special price, he was stuck with twenty-eight pairs of shoes. About two weeks later he placed several pairs in his window display marked at \$10.95. The entire stock moved in three days. Is the housewife ashamed to wear a pair of shoes that cost her only \$5.95? Perhaps husbands should institute an austerity program, and insist that wife do a little more comparative shopping?

### WISE WORDS

A moment's insight is sometimes worth a life's experience.

*Best Ever!*

# Canada Savings Bonds

easy to buy  
simple to cash  
good to keep

The new Canada Savings Bonds pay  $4\frac{1}{2}\%$  interest for each of the first three years;  $5\%$  for each of the next three years and  $5\frac{1}{2}\%$  for each of the final eight years — an average interest to maturity in 14 years of  $5.11\%$  per year. In dollars and cents every \$100.00 you invest will grow with accumulated interest to \$172.50 at maturity.

You can buy a \$100.00 bond for as little as 29¢ a day, through the convenient Payroll Savings Plan where you work. Canada Savings Bonds can also be bought for cash, or on instalments at any bank, investment dealer, stock broker, trust or loan company.

They are available in amounts as low as \$50.00 to any Canadian resident—adult or child—up to a limit of \$10,000.00 per person.

Estates, too, may buy. Interest is payable annually by coupon, or on the higher denominations by cheque, if desired.

You can cash your Canada Savings Bonds at any time, at any bank, at full face value plus earned interest.

Buy new Canada Savings Bonds today—best ever!

## The Swap Shop

The Swap Shop is once again a busy place after rather a slow summer. A cordial invitation is extended to old and new Griesbach residents to bring in your good used clothes, or just come in and browse around.

For the benefit of the newcomers, here is a word about its operation — the term 'Swap Shop' is a misnomer, as we have found it impossible to make straight swaps. A price is agreed upon for each article when it is brought in and no money is paid until the article is sold. A commission of 10% on sales up to and including \$5.00 and 20% on sales over \$5.00 is charged. This money is divided equally among the Griesbach Scouts, Guides, Cubs and Brownies.

Best sellers continue to be childrens' clothes and shoes, teens' casual wear, prams, beds, etc. At this time of year there is a great demand for childrens' coats and snow-suits, skates and boots as well.

The Swap Shop has quite a few

## Nuts and Bolts

WO 2 R. M. Storbo has arrived from 216 Workshop RCME to fill the vacancy of Production Officer and we hope his stay here is a happy one.

Cfn. Jourdain has been posted to this Unit from Alberta Signal Squadron.

Pte. Berestovenko V. has been attached to the Unit from 2 Bn. PPCIL on assessment in the Vehicle trade.

Cfn. Buckley has proceeded to Camp Wainwright on a Junior NCO Course. We wish you luck, Charley.

Well it is that time of the year when red jackets, red hats and all sizes of rifles and ammunition appear. The hunting season is upon us again and the hunters are organizing their own safari. From all appearances there should be meat in numerous deep freezes this fall as the majority of the Workshop Military and Civilian personnel expect to participate in a hunt of some discription.

Lots of luck in their coming adventures.

The Unit welcomes John Coyes back after a lengthy illness. John is employed in 17 ROD SPSS.

The Unit held the Annual Picnic on Friday afternoon 31 August 1962, which was a beautiful sunny day. (One of the few we have had). There was plenty of ice cream, soft drinks and hot dogs for the children and adults that attended this function. The annual ball game was played between Military and Civilian personnel in which the Military were victorious. This may be contested by the Civilians as no score keeper was used but facts are facts and the best team won. Races were held for the children and as no record was maintained, names of the winners are not available. According to all reports this was an enjoyable picnic and we are now preparing for the Children's Christmas Party.

ladies formals and cocktails dresses, some of which have been in the shop a long time. It has been found that there is very little demand for this type of dress, and they do represent a problem due to the limited space and facilities. Henceforth, only those items which it is felt will readily sell will be accepted. Some which have been in the shop a long time may be returned to the owners.

In the shop now are some very attractive ladies' coats including a fur jacket, and a good selection of older boys' sport jackets and suits.

The financial statement as of September 12, 1962 follows:  
Cheques paid to Scouts and Guides in June, 1962 ..... \$40.00  
Bank balance ..... \$116.50  
Cash on hand ..... \$10.09  
Net profit for approximately 6 months operation ..... \$175.59

## 2 PPCLI NEWS

### GENERAL

The battalion is now settling down to a new training year, after a very successful summer at Camp Wainwright and a month of (well earned?) leave. At the moment annual range classifications are foremost in everyones mind and each coy is spending 10 days in Camp Wainwright to complete these.

### OFFICERS' MESS

A weekly occurrence in the Mess appears to be farewells. The following have left since the last publication: Maj. W. L. Howard has gone to the RCS of I, Capt. G. A. Holmes to Ottawa, Capt. A. J. G. D. deChastelain to Ottawa, Capt. C. B. Snider to HQ Alberta Area and Lt. J. B. Stanton to the RCS of I. On the other side of the slate, we are happy to say, we have at least one addition, Capt W. Dechant has joined the battalion.

Due to the leave month little activity has been going on in the Mess, however, we are looking forward to a full schedule during the winter months ahead.

### SGTS' MESS

Well, now that the holidays are all over, we find all the members back with stories of their fine leaves, however, with the fall training started we find many headed back for Camp Wainwright. In the near future it is expected many will also be away on courses also.

We would like to welcome WO 2 Myhre, Sgts. Larkin, White, Scott, Maule, Davies, Slade, Rogers, Penel and Flanagan to the Mess and hope that your stay here will be a pleasant one.

The Mess entertainment has not really started but will soon be well underway, with new members on various committees.

### CPLS' MESS

Due to annual leave there is little interest to report at this time. It is hoped that with the winter season coming a full schedule of evens will keep every one happy, some of the events planned are: open house — Friday and Saturday nights. Bingo every two weeks, Curling, Bowling, stag parties and dances.

# BEAUTIFUL HOMES

The judging of homes in our Homes Beautification Contest has been completed for 1962. The winners for the months of June, July and August are given below.

The scope of the contest was increased considerably this summer. A total of 79 prizes were given out with a value of \$292.00. The contest was coordinated by the Council and prize money was provided by the Garrison Regimental Fund. The judging was done by the Camp Gardener. With so many lovely homes to judge, his task was not an easy one. The landscaping of the winners' homes was much above last years'. In fact, the appearance of

the whole PMQ area of Camp left little to be desired.

Your Council has been very pleased with the results of the contest. Congratulations are extended to all residents with special congratulations to the winners.

In the list below the residents receiving honorable mention are not listed according to their placing in the competition. It is interesting to note that two residents, Ssgt. K. M. Corbitt and Capt. C. H. Van Aggelen, placed first in their respective categories each month. This is the first time a resident has accomplished this feat and reveals the continued effort put forth by each.

## PRIZE LIST

### 1962 GROUNDS BEAUTIFICATION COMPETITION

#### JUNE

##### CATEGORY "A" — Class 3 PMQs:

1st Prize	—	Major R. D. Medland	PMQ 25
2nd Prize	—	Major G. E. Henderson	PMQ 243

##### CATEGORY "B" — Class 2 PMQs:

###### Row Houses:

1st Prize	—	Ssgt. K. M. Corbitt	PMQ 749
-----------	---	---------------------	---------

###### Other Class 2 PMQs:

1st Prize	—	Capt. C. H. Van Aggelen	PMQ 9
2nd Prize	—	QMS (WO2) A. D. James	PMQ 8
3rd Prize	—	Capt. R. W. Allen	PMQ 262

##### CATEGORY "C" — Class 1 PMQs:

###### Row Houses:

1st Prize	—	Pte. N. Grant	PMQ 646
2nd Prize	—	Pte. L. J. Rankin	PMQ 621
3rd Prize	—	Cpl. L. R. Giles	PMQ 620
4th Prize	—	Sig. R. Wheeler	PMQ 678

###### Other Class 1 Houses:

1st Prize	—	Sgt. A. Senger	PMQ 42
2nd Prize	—	Lcpl. J. D. Donaldson	PMQ 63
3rd Prize	—	Lcpl. P. Kattler	PMQ 513
4th Prize	—	Lcpl. R. C. Wilkinson	PMQ 456
5th Prize	—	Lcpl. M. J. Harris	PMQ 153

#### JULY

##### CATEGORY "A" — Class 3 PMQs:

1st Prize	—	Major J. G. W. Mills	PMQ 304
2nd Prize	—	Major I. Smith	PMQ 234

##### CATEGORY "B" — Class 2 PMQs:

###### Row Houses:

1st Prize	—	Ssgt. K. M. Corbitt	PMQ 749

# SCOUTING

With Scouting back on the rails again after a summer layoff, now is the time for Scouts to consider carefully what they hope to accomplish in the coming season.

We recommend that Scouts working on second class requirements pay particular attention to Tests Nos. 6, 7, 9, 10, 11 and 13. Now is the time to get these outdoor tests completed.

Scouts on first class should look to Tests Nos. 7, 8, 9, 10, 12, 13 and 17. One can hardly demonstrate the use of an axe for cutting trees while in a school auditorium.

Don't forget! If a thing is worth doing at all, it's worth doing well! If Scouting does nothing for you it may be because you do nothing for Scouting.

## ATTENTION ALL MOTHERS GRIESBACH CUBS AND SCOUTS

The first meeting of the new season of the Griesbach Cub and Scout Mothers Auxiliary will be held at the No. 1 School (Staff Room) on Monday, Oct. 15 at 8 p.m.

This meeting is of great importance to all concerned as to the future of this Auxiliary. All new residents having Cubs or Scouts in the family are most cordially invited to attend.

This Auxiliary assists the Cubs and Scouts financially in the following projects:

Refreshments Concession at monthly Bingo. Swap Shop (weekly). Griesbach Fair (ice

cream and drinks). Annual Father and Son Banquet (as servers only).

Providing a good attendance is guaranteed at these meetings (held every second month) volunteers for various projects will only be required to assist once or twice throughout the course of the year.

The work entailed in any of these projects required only a few hours of your time. This is a wonderful way to support your sons activities and at the same time to meet and enjoy the company of other mothers in the camp.

## CUB CAMP AT SKELETON LAKE

The Cubs of 1st Griesbach made their presence known at Skeleton Lake Scout Camp during the period 16 Aug. to 30 Aug. A total of 44 Cubs from Griesbach attended during the two week period, and the only difficulty encountered by the Leaders was that the lads did not want to come home.

During the first week, the Griesbach village hosted the rest of the Camp at an Indian Council Campfire, including firelighting, and Peace Pipe Ceremony. The Regional Council took place moving pictures of the Ceremony, which will appear in a Scout Film to be shown in Canada at a later date.

The Fishing Derby was a huge success, 20 Jack and 1 Pickerel with prizes awarded for largest and smallest fish caught.

The best Sixer award for the first week was taken by Mark Tuttle and for the second week by Doug Major.

Leaders for the Camp were: Sgt. Fred Swan, Cubmaster C Pack; Cpl. Ron Cleave, B Pack; Sgt. Bob Haswell, A Pack; who were ably assisted by Tom Pratt, A Tp., and Bob Swan, B Tp., as Service Scouts. Cpl. Burrows was Camp Cook.

So here's to good camping for Cubs in the future, and remember we are the "Cubs of the Griesbach Pack."

## World Scout Jamboree

Since we had many more nominees than there were vacancies, many of the Scouts who attended the Regional Jamboree could not possibly go to Greece. One of these is Boyd Van Aggelen. He is to be commended for giving it a very good try. Don't hesitate to try it again and the very best of luck next time, Boyd.

### SCOUT AND CUB REGISTRATION

It is most desirable that all registrations be completed on or before the due date — October 15th, 1962.

FEES: Scouts — \$1.75  
Cubs — \$1.25

Dairy Products  
are **GOOD**  
and **GOOD** for YOU

## "D" PACK NEWS

The first job facing the Pack after the summer recess was the acquisition of a new Akela since Cfn. Buckley is posted to Egypt. Thank you, Cfn. Buckley, and the best of luck.

Cpl. Green will take over when he returns from course. In the meantime we are sure Mrs. Kinsman will run the Pack with her usual efficiency, ably assisted by Mrs. King, to whom a warm welcome is extended.

Congratulations to Lorne Smith, Pat Gilday and Eugene Pilote on their going-up to Scouts.

A hearty welcome to Brian King, Jackie Jarvis, Willie Berlinghoff, Kenneth Niles, Alan Bude, Kenny Goodwin, Colin Coutts and Kelly Kirby. Glad to have you in the Pack boys.

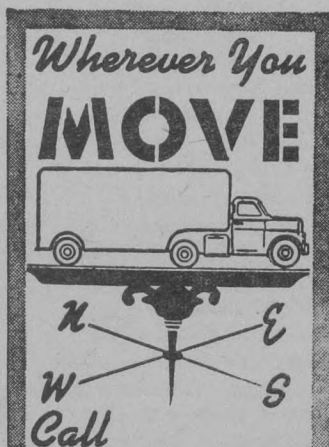

Congratulations also to Leonard Reid, Michael Gilday, Ace Laboucane, Doug Sales and Mark Tuttle on their promotions. Keep up the good work boys.

We are pleased to see Lorne Smith get his House Orderly badge — be sure you make that bed every morning Lorne!

Lawrence Brown, Arthur Cunningham, Bob Gillingham, Richard Harris and Paul Mcyuire are to be congratulated on receiving their 1st year stars.

Finally, may we pass on to you a plea for assistance just as we received it from the ACM.

"In a Pack of 31 boys couldn't we get at least one more father to come out as an assistant Cubmaster? We still have a long list of boys waiting to become Cubs but not enough leaders to handle them."

## Sergeants Take End with Bite

By: The Most Honest Golfer  
The golfers' guardian angel was on the job last Friday.

A golden fall day complete with blue skies and gentle breezes completed the back drop for the annual golf tournament between the officers and senior NCOs of Headquarters Western Command on the 17th of September.

Major General Rockingham teed-off at 10:30 for his foursome to get the match underway at the FCAF golf course at Namao. This is a fine 9 hole course complete with the usual hazards, (almost every one of which this writer investigated at some time during the day). Play lasted until approximately 6:30 in the afternoon when the last foursome sank their final putts and proceeded to the 19th hole or refreshments.

Many golfers with a leaning toward bird watching, reported

hearing the hoarse calls and even caught brief glimpses of the bright hued Red-eyed, Purple Visaged Brush Thresher, a bird peculiar to the brush and wooded areas surrounding golf courses throughout the world. The cry of the Brush Thresher they say is rather hoarse and sounds something like this — "+ %&@ + %" — however, the report, towards evening the call becomes more plaintive with near hysterical overtones. The Brush Thresher as any good bird book will tell you is inclined to short sightedness and his cry can be heard as he threshes through the brush looking for his nest wherein he has laid a perfectly round white egg whose shell has a pebbled surface. The Red-eyed, Purple Visage Brush Thresher does not migrate but has the odd ability to change form and particularly in Canada quite

often spends the winter in one disguise or another around the curling rinks of the country.

Meanwhile back at the 19th hole, located incidentally in the main lounge of the Sergeants' Mess.

Organized confusion. The Toronto stock exchange and federal election returns were never so hectic.

When the final scores were added up, the Senior NCOs came out the winners by three strokes. A narrow enough margin, however, if memory serves they lost the inter-mess to the officers last year by one stroke.

A hearty vote of thanks to the golf committee, the bar steward and the cooks at the Sergeants' Mess for the special effort put forth to make the 19th hole the success it was. The decorations were appropriate and imaginative and the eats plentiful and of a variety to please almost any palate.

All in all the 1962 golf tournament was a rousing SUCCESS.

### MASSED BANDS ATTEND "ARMY NIGHT"

Saturday, 6 Oct. 62 has been declared Army Night at Clarke Stadium, Edmonton. At this game the Edmonton Eskimos play the Calgary Stampeders. This is also the occasion of the presentation of the Jeff Nicklin Memorial Trophy.

A display by the massed bands of the LdSH(RC) Band, PPCLI Band, 2 PPCLI Corps of Drums and 2 QOR of C Bugles has been arranged preceding the game and at half-time.

## RCAF Judo Club in Training

The RCAF Judo Club commenced their fall season on 17 Sep. and have extended an invitation to all military personnel and their dependents from Griesbach to join in the fun.

The group meets three times weekly, Monday, Wednesday and Friday at 7 p.m. in the Recreation Hall at Station Kingsway.

Additional information can be obtained by phoning SW 9-5012.

## Skating Time

The Council have rented the Gardens ice for one hour each Saturday morning during October.

Boys interested in playing hockey will be given an opportunity to practice on the Gardens ice.

The ice has been rented from 10:30 a.m. to 11:30 a.m. Further information will be provided through the schools.

## Baton Twirling Lessons

A letter has been received from Miss Marlene Jackson, RCAF Station Namao advising that she will be conducting lessons in all phases of baton twirling.

Miss Jackson has won many championships and is well qualified to give instructions.

Anyone interested should contact Miss Jackson at SW 9-5194.

## Ladies Curling Association

The Griesbach Ladies Curling Association met on the 8th September for a general meeting at which time the following were elected to office for the coming season. President, Mrs. Vera Hitchman; Vic-President, Mrs. Edna Harper; Secretary, Mrs. Eileen Mills; Treasurer, Mrs. Kay Hardage; Social Convener, Mrs. Jan Johnston; Publicity, Mrs. Nancy Jeffrey.

The next general meeting will be held on Monday, 1st Oct. at 8.00 p.m. in the staff room of School No. 1. It is important that all those women interested in curling attend, as rinks will be formed at this meeting.

Come on out gals, it's a lot more fun sweeping ice than the kitchen floor.

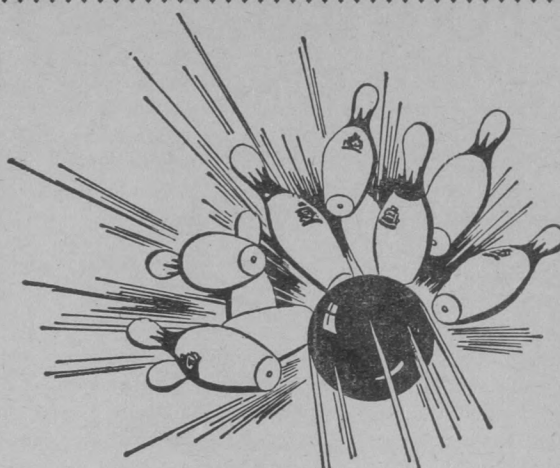

## Soccer

Area play-offs for the "Pearkes Trophy", emblematic of Canadian Inter-Service Soccer supremacy, were held on the 14th and 15th of September at The Hamilton Gault Soccer Field.

Three teams were involved — RCAF Penhold, RCAF Cold Lake and 2 Battalion PPCLI.

2 PPCLI emerged winners of the knockout contest, easily defeating RCAF Penhold 5 - 1 and after a hard fought game overcame Cold Lake by a similar score.

The team now advances to the Finals which will be held this year in Victoria, B.C.

## Imperial Bowl Lanes

96th Street — 130th Avenue

Canada's Most Beautiful Recreation Centre

## Griesbach Tennis Club

With the approach of the winter season the Griesbach Tennis Club has moved its operations indoors. The indoor courts in the Drill Hall at the Hamilton Gault Barracks have been repainted and the times of play are as follows:

Tuesday 1930 hrs.

Thursday 1930 hrs.

Saturday 1330 hrs.

Sunday 2000 hrs.

People in Griesbach may be interested to know that Griesbach Camp has the only indoor tennis courts in the city of Edmonton, and probably the best indoor tennis courts in terms of lighting and floor surface in Western Canada.

The Club has lost the "raconteur" and sometimes tennis player, Tony Hawkins, who has been posted back to his parent unit, the Fort Garry Horse in Petawawa, Ont. But we have new members filling the vacancies of those who have gone, and we hope to have an active winter programme. Lt. Col Ball, AA&QMC, SQ Alberta

Area, an accomplished and keen player, has turned out to play and intends to be a regular. Also Major John Whalley has indicated his desire to join the Club. Joe Devlin, Doug Hardy, Al Pollock, Derek Rogers, Bob Comfort (honourary member) and Bill Botling, are the stalwarts who make up the backbone of the Club.

The Club is losing Major Roger Watters who has been the president for the past two years. He is retiring from the Army and is taking up residence in Ottawa. This will be a great loss to the Club because Roger was a good administrator as well as a keen and enthusiastic player. He was one-time Alberta Singles and Doubles champion and this year teamed up with A Royal Glenora player and won the city of Edmonton Mens' Doubles Championship, which is quite an accomplishment.

The Club will begin instructing juniors on Saturday afternoons, 29 Sep. from 1300 to 1700 hrs. — we hope for a good turnout.

## BANTAM FOOTBALL

The opening game of the Bantam Football League schedule was held 9 Sept. 62 at Coronation Park. A fine, hardhitting game between Griesbach Commando's and Waterloo Redskins resulted in a 14 - 0 loss by the Commando's.

Redskins opened the scoring in the first quarter with a single point. In the second quarter a Commando fumble in the end zone was recovered by the Redskins for a touchdown which was converted. Halftime score 8 - 0.

The third quarter was scoreless, as was the fourth quarter until the closing minutes when a second touchdown was scored by the Redskins. The convert was blocked by the Commando's and the final score 14 - 0.

The Griesbach Commando's second game of the season was played on 16 Sep. 62 at Coronation Park. The game was against Kilbuck Colts and resulted in a 28 - 0 loss by the Commando's.

Scoring was opened in the first minute of the game with a TD against the Commando's. This was converted and the score 7 - 0. A safety touch four minutes later made the score 9 - 0.

In the second quarter the Colts scored another TD which was converted. Halftime score 16 - 0.

Two more TD's were scored against the Commando's in the second half. Neither were converted and the final score 28 - 0.

FRONT L. to R.: David Sibley, Ricky Brown, Gary Brown, Rhett Oulette, Ted Richot, Jim Brown, Ken Watson, Ricky Hicks.

CENTRE L. to R.: Norman Gay, Bruce Falconer, Dennis Laboucaine, David Barry, Robert McKerracher, Billy Williams, Ted Fitch, Robert Buckley, John Falconer.

BACK L. to R.: Ron Appleton, Bill Hicks, Al Ceasar, Cpl. C. Bones (Asst. Coach), Derrick Egan, Randy McDonald, Danny McConnell, Pat Tuttle, Greg McCormack, Danny McCormack.

### Meet The Coach

Don Burdago, coach and manager of the Griesbach Commando's bantam football was born in Saskatoon, 3 Feb. 40. He played football for St. Pauls High in Saskatoon and was captain of the team for three years in a row. At various times Don played every position except half-back.

After moving to Edmonton in 1958, Don played Junior Football for three years, two with the Wildcats and one with the Huskies. In Junior Football, Don played offensive centre, defensive middle guard, tackle and inside line-backer.

Don is employed with T. Taton Co. in Edmonton.

This is Don's first attempt at coaching so let us wish him the best of luck.

Solitude is as needful to the imagination as society is whole-

some for the character.

— Dryden

## GRIESBACH CURLING CLUB

The Curling Season is drawing near and it is again time to organize teams for the coming season. The annual meeting will be held in the Club Lounge on Tuesday, 9 October at 2000 hrs. All curlers are requested to attend.

Insulation of the Rink has now been completed; dampers have been put in the roof-vents, and the heater have been adjusted so the temperature in the rinks this year should be a lot warmer, and this should make the curling more pleasant. Heat has also been put in the upstairs lounge.

The \$5.00 membership fee has been waived, and the price charged to curl in each league will include the membership fee. Applications will be accepted from all past associate members and favourable consideration will be given to new associate members, provided they are sponsored by a regular member, and of course, providing vacancies exist without prejudicing the rights of service personnel, civil servants or their dependents.

Starting time for week-day games has been set at 12:45, 14:45, 16:45, 18:45, and 21:00 hrs. The first three draws are of 2 hours duration. In view of the tight schedule, tie-games will not be played off. Winning teams will be 2 points, losers none. In the case of a tie, each team will get one point. All games must be completed within the time allotted.

The Men's Regular League has been split in three separate leagues as follows

**LEAGUE "A"** — curls twice weekly, every Tuesday and Thursday at 16.45, 18.45 or 21.00 hours.

Limit: 24 Teams.

Fees: \$22.00 per person or \$88.00 per rink.

Teams: Skips will pick their own team and entries will be accepted by rink only. \$20.00 per team must accompany the application.

Schedule: The teams will play one round-robin of 23 games. At the end of this time they will be split into 3 sections, of 8 teams each. Prizes will be awarded in each section, including the first round-robin.

**LEAGUE "B"** — curls once weekly, every Monday at 18.45 or 21.00 hours.

**LEAGUE "C"** — curls once weekly, every Wednesday at 18.45 or 21.00 hours.

Limit: Each league is limited to 64 players or 16 rinks.

Fees: \$11.00 per player.

Teams: Individual applications will be submitted. Applicants are requested to show their past experience and to indicate the position they desire to play.

Formation of Teams: When the 64 entries have been received for each league, the committee

will select 16 skips and at a meeting of these skips and the committee, rinks will be formed.

**BONSPIELS** — At the end of 15 weeks, league bonspiels will be arranged to take up the other 5 weeks curling.

### OTHER LEAGUES

**Griesbach Ladies Curling League** Curls twice weekly — one morning and every Friday afternoon.

Fees \$14.00 per curler.

For particulars contact Mrs. Hitchman — Phone 474-1815.

### Griesbach Business Girls

Curls every Wednesday at 16.45 hours — Fees \$10.00 per curler. For particulars contact Mrs. Joyce Smith — Local 233.

### Officers and OR's Mixed

Curls Sunday afternoons or evenings. — Fees \$10.00 per curler.

For particulars contact — Officers: Major Mills, PPCLI — OR's: WO 1 L. Jarvis, L. 583 or GR 7-5963.

### Teens

Curls Friday at 16.45 hours and possibly Monday at 16.45 hours. Fees \$5.00 per curler. — For particulars contact Bob Lucas GR 9-7764.

### Rec Curling

For particulars contact President Griesbach Curling Club, Maj. J. N. Edwards — Local 300. — Fees \$30.00 per rink.

### Alta. Signals

Contact L/Cpl. Heaton — Local 514.

### Attention Baby Sitters

It is proposed to republish the list of baby-sitters in the next issue of the Bugle. All those wishing their name included, should contact Mrs. R. G. Deakin at PMQ 277, 10112 - 146th Ave., or phone her at 474-4404.

Information provided must include name, age, PMQ number and phone number, if any.

**BABY-SITTERS WHO DO NOT SUBMIT THEIR NAMES BY OCTOBER 10th, WILL BE PRESUMED POSTED OR NOT INTERESTED AND WILL NOT BE INCLUDED IN THE NEW LIST.**

The following is the code of ethics by which baby-sitter have agreed to abide:

(a) If they agree to baby-sit, they will report to the parent concerned at time agreed upon.

(b) They will sit alone and will NOT have any visitors, unless specifically authorized by parents concerned to have guests. (Sitters will discourage guests from visiting them while baby-sitting).

(c) They will not "raid" the fridge unless something is left for them.

(d) They will look in on children as directed by the parents.

The agreed fee for teenagers who abide by the above code of ethics is:

35c per hour until 1:00 a.m.

50c per hour after 1:00 a.m.

For the above fee baby-sitters will not be required to do housework.

These rates do not apply for New Years Eve.

For that night only rates will be:

50c per hour before midnight

65c per hour after midnight

A sitters' list will be published periodically, however, deletions and insertions will be published monthly. Teenagers who do not abide by their code of ethics will be removed from the list of baby-sitters submitted to the Association.

Members — Capt. B. Cantin, Capt. P. Dailyde, Pte. R. Barrett, Sgt. P. Mayer, Sgt. W. J. Iercun

The past executive were thanked very much for their good and faithful work during the past year.

#### WHAT IS A COUNCIL?

By definition, a council is a legally convened assembly of ecclesiastical and theological experts, met to discuss and regulate both doctrine and discipline (faith and morals). More briefly, it is a concentration of the ruling powers of the Church met for decisive action where needed. Councils have been held since the earliest days of the Church; we may read about the first one at Jerusalem in the Acts of the Apostles. The various types are distinguished on the basis of territorial extent: for instance diocesan, provincial, national, etc., and the highest type is the ecumenical, so called from the Greek word 'oikumenē', meaning the whole world. Such a world representation is directly under the Pope or his appointed legates, and its decrees, after they have received Papal approval, bind all Catholics.

Councils are no part of the ordinary government of the Church. From the first ecumenical at Nicea, in the 4th Century up to 1961 there have only been 20. The two most recent ones, Trent and Vatican, were held respectively some 60 years before the Pilgrims landed at Plymouth and when U.S. Grant was President of the United States.

We might well ask ourselves how on earth a huge unweildy thing like a meeting of delegates from all over the world ever gets anything accomplished. The answer lies in the years of preparatory work. Commissions were set up more than a year ago, some dozen of them, under the direction of the brilliant Cardinal Tardini. Then the seminaries, the religious orders, the ranking theologians and the Bishops all over the world were asked to draw up lists of items which they considered worthy of the Council's attention.

These voluminous reports are now in Rome, and the Commissions are sorting them out. They deal with doctrine, the missions, the liturgy, discipline, the Eastern Churches, and the one commission that is the great focus of attention now, the new Secretariat for Christian Unity. So when the council actually gets under way there will have been some two or three years of spade work gone into its preparation. Various draft resolutions are then handed over for study and discussion, further clarification, weeding out. These are voted upon in committee and finally are presented to the whole assembly for further discussion and disposal. It is a long and involved process, but it works.

Sunday, October 7th, Thanksgiving Sunday, will be Family Sunday in the Chapel. There will be no Sunday School that Sunday, and all children are urged to attend Chapel with their parents.

#### LAYMAN'S SUNDAY

28 October has been set aside for the observation of Layman's Sunday in St. John's Chapel. It is planned that this service will be conducted by laymen of the congregation. All Chapel families are asked to make a special note of this date so that there will be a good attendance.

#### SPECIAL SERVICE FOR HIGH SCHOOL STUDENTS

A special program for students attending Sr. High School (Grades X, XI and XII) is planned for Sunday, October 14 at 7 p.m. in St. John's Chapel. The program should be of interest to all High School Students.

A letter will be sent to all Sr. High School students giving this and future plans.

#### THANKSGIVING

Thanksgiving is a wonderful time of the year when we count all the blessings that God has so freely bestowed upon us. 'We thank Him for our life and health, for power to work and leisure to rest, for all that is beautiful in creation and in the lives of men; but especially for our spiritual mercies in Christ Jesus our Lord.' It is a time when we sing a well known hymn:

'Come, ye thankful people come  
Raise the song of harvest-home:  
All is safely gathered in,  
Ere the winter storms begin;  
God, our Maker, doth provide  
For our wants to be supplied'

'God has led us into a good land, a land of brooks, of valleys and hills; a land of wheat and barley; a land where bread is eaten without scarceness; a land

whose stones are iron, and out of the hills we dig brass.' (Deut. 8:7-19)

We know that God loves us, and we know it chiefly because He sent us Jesus Christ. At times the world looks like a sad place with all its stress and strain, but we must remember that this is God's world, and that Jesus came into the world to make it different. When we remember we can still be thankful even when things go wrong.

Let us face the wonder of life with keen enthusiasm and as we move through the years we will find that the aftertaste is good. This is the kind of zeal or living that comes from real faith and understanding and trust in the God of Jesus Christ.

To remove stains from china or earthenware, rub them with salt and vinegar, then wash in hot soapy water.

## Town Talk

Are you bowling this season? Playing badminton, or maybe curling? Perhaps you're just going to toke it easy and enjoy those long winter evenings around the T.V.? Whatever you decide to do, how about squeezing in a small amount of volunteer work while you're at it? If you're like me, you'll say to yourself, "Well, I'd like to, but I'm not very good at that sort of thing or, I've never done anything like that before." Take a tip from me, all it takes is a pair of willing hands and a desire to help. The rewards are numerous, new friends, a chance to do something a little different, and a warm glow of satisfaction from having helped ease the burden from someone else's shoulder! There are many jobs to choose from — Scouting, Guiding, teaching Sunday school, singing in the Church choir, helping out in the Swap Shop, etc. Please don't say, as I used to, "Oh, there are plenty of people who like to do these things, let them get on with it! Most of the volunteers came out to help because there was no one else to do the job, and I'm afraid

enthusiasm wears a little thin when you have to spread it out too far. So how about it? If you are not sure who to contact, give me a call and I'll try to help. GR 9-5716.

St. John's W.A. are holding their Annual Fall Bazaar on Saturday, 3rd November at 2.30 p.m. in No. 1 School Auditorium. Afternoon tea will be served in the Staff room. There will be a nursery for small children, leaving Mother free to shop at the many tables offering a wide variety of gifts and novelties for all ages. Be sure to visit the Padre's corner, where interesting and informative Biblical literature and books will be on display. A great favourite with the youngsters is the Fish Pond and a special shopping table of their own. Aprons, knitwear, stuffed toys, doll's clothes, white elephants, plants, Xmas decorations candy, mystery parcels and, of course, home baking are some of the many things to be found at the Bazaar. By the way, if you wish to order your Christmas cake in advance please phone Mrs. Jean Harmer — GR 9-6094.

### How To "Preserve" A Husband

(Not to be confused with the "Pickled" variety.)

Select with great care the young and green variety. Takes longer to prepare but excellent when done. Those too old take a long time to cook, and are often tough after being prepared. Even the poor varieties may be made sweet and tender by the follow-

ing method: Wrap in a mantle of charity and keep a warm and steady fire of loving domestic devotion. Garnish with patience, well sweetened with smiles, and flavored with kisses to taste. Serve with peaches and cream and thus prepared will keep for years.

### SENIOR APPOINTMENT

OTTAWA — Col. C. A. Peck, OBE, CD, of Hillsboro, N.B., and Ottawa, will be promoted to the rank of brigadier and appointed senior military advisor to the military component of the Canadian Delegation in Viet Nam in mid-September, Army Headquarters announced.

Col. Peck has recently concluded the National Defence College course at Kingston, Ont.

## WOMEN'S AUXILIARY

Once again summer vacation time has come and gone and everyone is now planning and making preparations for the long winter months ahead. We of the St. John's Chapel Women's Auxiliary sincerely hope that when the women of Griesbach are planning their busy schedules for the coming months that they will remember to keep the second and fourth Tuesdays of each month free. We would be very happy to have you join us at 8 p.m. in the Chapel Conference Rooms.

We began our fall sessions on Tuesday, September 11th, with a Pot Luck supper and we had an excellent turnout, both of the old members and new, and a very enjoyable time was had by all.

The main topic of conversation at the present time is our annual fall bazaar, which will be held this year on Saturday, November 3rd. We are attempting something new this year in that we are holding our bazaar from 2:30 until 8 p.m. We are hoping that in this way we can accommodate more people. This, of course, means that more articles will be needed so that a good selection will be on hand for the latecomers as well as the early arrivals. This, in turn, will mean that more willing workers will be needed so, if you are for some reason unable to

attend out meetings and you are willing to sew, or knit or help in any way, will you please contact our Bazaar Convenor, Mrs. Gwen Jarvis at 477-5963.

From now until bazaar time we will be meeting every Tuesday at 8 p.m. in the Chapel Conference Rooms to work on bazaar items. We do hope that ladies of Griesbach will feel free to drop in at any time.

October 7th is Thanksgiving Sunday and as in previous years the Women's Auxiliary will be decorating the Chapel. This will be done on the evening of October 6th and we would ask anyone who would like to donate fruit or vegetable for this purpose to please leave them at the Chapel. All donations will be greatly appreciated.

### To CD College

OTTAWA — Major J. J. L. A. Gaumond, CD, of Quebec City, will be promoted Lieutenant-Colonel and appointed instructor at the Civil Defence College at Arnprior, Ont., in September, army Headquarters announced.

An officer of the Royal 22e Regiment, Major Gaumond is now with the Canadian Section, SHAPE, Paris, France.

## Moving? — Know Your Mover

Recently a professor from Edmonton engaged a local moving firm to transfer his effects to Philadelphia. He paid \$1,075. cash in advance, and was assured everything would arrive in Al condition. The firm picked up his effects, but apparently did not have necessary licensing to move through the U.S.A. and handed the goods to another Mover. The second mover refused to deliver the goods in Philly until his bill was paid. He stated the first mover had not paid him his share, and refused to even state where the goods were stored in the meantime. Fortunately this type of operator is in the minority, but it pays to know the reputation of the firm with whom you are going to deal, and to get all the details concerning arrangements beforehand.

If you have some very fine wax flowers that have become soiled, dip one at a time into a solution of one pint of lukewarm water and one tablespoon of baking soda. It will rejuvenate them wonderfully.

White marks on furniture caused by dampness can be removed by rubbing gently with a cloth dipped in kerosene. Then polish with furniture polish.

## Griesbach Sgts' Ladies Club

The monthly meeting of the Griesbach Sgt's Mess Ladies Club was held in the Mess on Wed. 22 Aug. 62.

We bid welcome to a new member, Betty Dunlop. "We hope you enjoy your stay with us, Betty."

And, on the same evening, a farewell gift was presented to Jean Palmer. Jean and Tiny are making their home in Kelowna now that Tiny's "Army Days" are over. "Good Luck to you Jean, and don't forget to write."

A pleasant social evening was spent playing cards.

Don't forget ladies, it's the fourth Wednesday of every month. We hope to see everyone out, especially new members in the area. Do come out for a pleasant evening of relaxation, we'd love to see you.

Genius, that power which dazzles mortal eyes, is oft but perseverance in disguise.

— Henry Williard Austin
